

Rolling Thunder Patch Placement

No patches will be worn in the area above the Rolling Thunder Rocker

Rocker

Approximately 5 1/2"

Boot Patch

Guidelines:

The Rocker should be placed in the shoulder area on the back of the jacket or vest.

Under no circumstances will any patches be worn in the area between the Rocker and the Eagle/Southeast Asia patch.

The Eagle/Southeast Asia patch will be positioned correctly when the word Vietnam is straight up and down.

The Boot Patch is to be positioned on the lower right front of the vest or jacket. The patch may be placed above a pocket if one exist in the previously mentioned area. The boot patch may not be worn on the back of the vest or jacket.
